## WELCOME

### Welcome to the Penn Festival of Football!

It's a real pleasure to welcome players, coaches, families, friends and supporters to what promises to be another fantastic weekend of grassroots football. Whether you're here to compete, cheer from the sidelines, or simply soak up the atmosphere, we're delighted to have you with us.

Across the May Bank Holiday weekend, our festival brings together over 200 teams and more than 1,600 young players, all united by a shared love of the beautiful game. With thousands of visitors joining us over the three days, the event has become a true highlight of the local sporting calendar — a celebration not just of football, but of community spirit.

From the first whistle to the final match, we hope you enjoy a weekend full of great football, memorable moments and plenty of family fun. However you're taking part, we wish all teams the very best of luck and hope you leave with lasting memories.

Enjoy the festival!

# FESTIVAL OF FOOTBALL

SATURDAY 2ND - MONDAY 4TH MAY 2026

## ANDREAS LATTA STADIUM

At this year's **Penn Festival of Football**, we take a moment to remember someone truly at the heart of our club — **Andreas Latta**.

**Penn & Tylers Green Football Club** was deeply saddened by Andreas' passing in December. A long-serving **Club Secretary**, a familiar face to all, and a dear friend to so many, his contribution to the club is simply immeasurable. The word "**legend**" is often overused in football, but in Andreas' case, it feels entirely fitting.

In **honour** of his life and everything he gave to **PTGFC**, we are proud to dedicate our **main pitch at the tournament** to him throughout this year's festival. Many games and all **finals** will be played at the **Andreas Latta Stadium**, a fitting stage for the biggest moments of the weekend. Alongside it, the **Andreas Latta Stand** stands as a lasting tribute — a place where players, families and friends can gather, just as Andreas brought people together over so many years.

You'll also notice the **Hamburger SV** flag proudly displayed — a nod to one of Andreas' great passions and a small but meaningful way to celebrate the person behind the role.

While we continue to miss him greatly, we hope this tribute serves as a reflection of the respect, gratitude and affection held for **Andreas** across our community. His presence will be felt in every match played, every cheer from the sidelines, and every moment shared across the festival.

## 7. Tournament Format

Draw = 1 point
